Request for Expression of Interest (Eoi) - General Consultancy Services for Mumbai Metro Line 3 (Colaba – Bandra – SEEPZ)

Country : India

Name of Project : Mumbai Metro Line 3 Colaba – Bandra – SEEPZ (MML3)

Loan Agreement : Between Japan International Co-operation Agency (JICA) and Govt of India (GoI) (to be signed)

Assignment : General Consultancy Services for implementation of MML3

- 1.0 Mumbai Metro Rail Corporation (MMRC) has been pledged a loan from JICA towards the cost of MML3 and intends to apply part of the proceeds of this loan for procurement of General Consultancy (GC) services for implementation of the said project.
- 2.0 MML3 is a fully underground corridor having a length of 32.5 km with 27 stations and a car depot. The expected period of consultancy is around seven years. Project alignment and details are available for download at www.mmrda.maharashtra.gov.in
- 2.1 MMRC has engaged an Interim Consultant (IC) to carry out detailed topographical surveys, geotechnical investigations, utility mapping, building condition surveys, traffic diversion plans, preliminary tunnel and station designs, car depot design and all pre-tender services for design-build civil contracts etc.
- 2.2 MMRC now intends to procure GC services for implementation of the project including integrated testing and commissioning of the corridor.
- 2.3 The scope of consultancy mainly includes: review and supplement / complete IC's work, if and when required, evaluation of bids for civil contracts, proof checking of contractors designs, project & site supervision, quality control and assurance, safety and security, preliminary systems designs, specifications and tender documents including bidding assistance for systems procurement, environmental management programme preparation, system integration and implementation, testing and commissioning of the corridor and other ancillary services. GC will also be required to provide all the requisite support to MMRC for obtaining various approvals, inter-agency interactions and coordination with stake holders.
- 3.0 MMRC invites Eoi from eligible consultants who meet the eligibility criteria as in para 4.

4.0 ELIGIBILITY

Technical Qualifications:

- i. Consultant should have provided in the last ten years (project completed not before 1st January 2003) General Consultancy for one metro rail project having at least 7 km underground section with at least 3 underground stations.
