

Mumbai Metro Rail Corporation (MMRCL) constructing two covid care facilities

Mumbai, May 24, 2020: The Mumbai Metro Rail Corporation (MMRCL) is constructing two covid care facilities - one isolation facility with approximately 800 beds including 200 Oxygenated beds at Dahisar Check Naka; and another at Kander pada near Borivali RTO office with 250 beds having High Dependency units(HDU) and ICUs with dialysis facilities.

The work is being completed on a war footing and expected to be completed in next 2 weeks.
