Clarification

Sr. No.	Clause No	Clause Description	Query	MMRC Response	Corrigendum-1 (Y/N)
1.	Clause No. 5.(v) Eligibility Criteria; Page No.8	The Bidder must have production experience of 3-5 Audio-visual documentaries (including the ones which have shooting via drones as a part of it) on internationally recognized infotainment satellite channels	We understand that MMRC's ultimate goal is to create video with good quality and which can be showcased nationally and internationally. Please clarify whether channels like CNBC-TV18, Zee etc. is considered as internationally recognized infotainment satellite channels and whether having documentary films aired on these channels would qualify for this condition.	Broadcast made in India will be internationally recognized infotainment.	No
2.	Clause No. 5.(viii) Eligibility Criteria; Page No.8	Agency should have the capabilities to produce multi-camera events with in-house on-line editing set-up along with drone arrangement and standby tie-up with other studios.	We believe it is not required for documentary films because this kind of on-line editing setup is required only for live telecast or for live events. Please clarify.	Agency should have capability to produce multi-camera events including drone based recording of footages with editing facility and standby tie-up with other studios. Online editing facility is desirable.	Yes. Refer Corrigendum-1

3.	General Query	Minimum equipment requirement	We suggest you to specify minimum equipment and crew requirement for maintenance of quality and uniformity in pricing. A suggestive list is enclosed for your kind reference.	Specific requirement will be provided in RFP	No
4.		Association / Joint Venture / Consortium	Please allow association / Joint Venture / Consortium for the said work	Joint venture or consortium of two companies is allowed. Refer Clause 5, Eligibility Criteria, point i.	No
