

MMRC procures depot system

Mumbai: The Mumbai Metro Rail Corporation (MMRC) received an excellent response from all the bidders for procurement of the state-of-the-art depot system for Metro Line 3 corridor. The works includes design, supply, installation, testing and commissioning of E&M works. "Catering to all the requirements of operations and maintenance of the trains, depot will be equipped with the state-of-the-art Electrical & Mechanical System," said Ashwini Bhide, Managing Director MMRC.
