

MMRC completes 70% tunnelling work

MUMBAI: In a significant development, Mumbai Metro Rail Corporation (MMRC) on Monday said nearly 70 per cent of the tunnelling work for the third corridor from Colaba to Seepz has been completed. In all, 23 breakthroughs, totalling 38.25 km out of the 55 km, has been completed in 24 months, despite innumerable challenges faced during construction, MMRC said.
